

I was not brought up around wine, unless you count the Lambrusco with Sunday lunch at my grandparents (on a Tuesday night), my parents didn't drink it, that I can remember, and I had zero interest in it when I started drinking.

It was a fateful bank holiday Monday that set me on this most amazing journey. After working back- to-back weddings over a bank holiday weekend, I was given a bottle of wine as a thank you... I drank it and was left wondering why people drank wine, it was awful! So that Christmas I asked my grandma for a wine book so I could learn, and she obliged with Karen McNeils wine bible. Armed with this I set off learning by reading and buying different bottles to try with some mistakes along the way.

My wine list is perhaps more classical than many modern wine lists but to me this is my passion and comfort zone, when I knew nothing, these were where I started both reading and tasting so I have enjoyed exploring these. Our course as my palate has grown and my knowledge widened, I like to try the more obscure wines, grapes & countries and have included these on our list.

On this journey I have met some great individuals who have a great talent for wine, service and hospitality who share my passion and are essential to the wine list and care of our customers. I am proud to work with this team and could not drive our shared passion without them, thank you Ben and Nathan.

So, from a Sheffield Sommelier who got into wine by accident I hope you enjoy the list, and if there is anything you want to know more about, please just ask.  
Thanks,

Alistair – Certified Sommelier – Court of Master Sommeliers - Level 3 - WSET

## CHAMPAGNE

When I first started my journey, Champagne was not somewhere I took great interest in, it was for celebrating and I was too young to think about this. In 2006 it was the first wine trip I had the pleasure in going on, so now has very special memories.

BIG RICH WHITE WINES –  
THEY LOVE FOOD AND ARE A GREAT REPLACEMENT FOR LIGHTER REDS

- Here I indulge my love of Chardonnay, but there is more to it than Chardonnay I love white wines that fill the mouth and leave a taste that lingers and lasts.

## MY LOVE OF CABERNET SAUVIGNON

- Everyone has a favourite, Cabernet Sauvignon is often called predictable, but I can't get enough of it. Given the choice, I will always take a bottle of Cabernet or a "Bordeaux Blend"

This page indulges my first love - Bordeaux and the old world... turnover for my latest passion, American Cabernets from the heart of Napa (and the odd exception)

## ROSE

- Rose wine is not just for drinking in the sun (although it is great for doing just that), it can be the perfect partner for food. Our wines are listed from clean and dry to full of red fruit flavour.

## DESSERT WINES

- As our palate has changed, we now tend to drink fresher and drier wines, so sadly the people enjoying dessert wines has declined. Treat yourself to that extra richness with dessert.

## FORTIFIED WINES

- When we go out to eat this is without a doubt one of our favourite parts of the meal / drinks. A chance to indulge in a great cheese board and a firm, rich port or sometimes a delicate a Tawny
